For every horse participating in any competition licensed by the Federation, a \$23 Federation fee will be collected (\$15 shall be an Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3). Exception: Horses entered in classes exempted from the Equine Drugs and Medication fee are also exempt from the balance of the Federation fee. An IHP fee of \$35 will be charged to each horse showing in any Computer Ranked Grand Prix.

JUMP ORDER

In all classes over fences management MAY designate the order of go. All orders will be posted at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the paddock masters involved — don't rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with a posted order of go will use the following procedure in accordance with JP112.2: the horses names are drawn individually, starting from the first position and then down.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vests worn over coats. Please note that the show will not be delayed in order to reset air

vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

MEDICAL WASTE & SHARPS

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation.

POLING

We do not allow any sort of manual poling or poling of any type on the competitions show grounds.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state.

It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

11. **Vesicular Stomatitis** - Per USEF ESP Acknowledgement of Vesicular Stomatitis Option A - Restrict entries from USDA confirmed VS- Affected States under the condition that notification is made to the Federation and all potential participants no less than five (5) days prior to the start of competition and the notification is published on an obvious location on the competition social media sites. Note: This option applies if no horses from VS Affected States are entered in your event and none are expected to attend your event. This is on a Show by Show Basis, management may change the requirements in the future.

FINDING THE RIGHT MATCH FOR STUDENTS, FROM KINDERGARTEN THROUGH COLLEGE

We know the traditional model of education doesn't work for everyone. The founders of Open Minds Academy and Alexander Academic Access have teamed up to serve the diverse educational needs of families inhabiting Wellington, Florida – on a part or full time basis. Taking advantage of the ever-evolving landscape of academia, we have developed several options to accommodate different learning styles and lifestyles. The increasing desire to access everything remotely, accompanied by the rise in tendency for families to travel extensively for various reasons, has inspired our innovative educators to create new ideas and approaches.

One of the primary advantages of nontraditional education is flexibility. Our creative solutions allow for customized learning plans that can be tailored to individual students' pace and preferences. This flexibility is particularly valuable for students with special needs, those pursuing extracurricular interests, those who want to progress more quickly, or those facing unique life circumstances.

Open Minds Academy provides a supportive learning environment for elementary and middle school students who thrive when they have access to individual attention, hands-on learning, and remediation or acceleration as necessary. OMA offers small group and one-on-one instruction, and takes pride in employing certified, masters level teachers who think outside the box. The directors of OMA, who are experts in elementary and secondary education, have adapted their educational model to accommodate and empower students of all abilities and learning objectives.

Alexander Academic Access supports students applying to college by focusing on finding the best match for each individual. The director of AAA has extensive experience working with students who follow a nontraditional path in secondary education before applying to colleges. She and her group of highly qualified admission experts are equipped to guide students, who have taken both traditional and nontraditional routes, on the next step of their educational journey. In keeping with the theme of flexibility, the services are available both in Wellington and remotely, to accommodate nomadic families country-wide. AAA also offers an exclusive college campus visit travel concierge service, providing comprehensive itineraries that reduce the stress of trip planning and allow students (and parents) to focus on finding the best fit. *Link to sample itinerary: <https://shorturl.at/uwyPX>

As we look to the future, let us not view nontraditional education as a threat to the status quo but as a valuable addition to the educational landscape. Moving away from the one-size-fits-all mentality and unleashing the potential of every student will better prepare them for the challenges and opportunities presented in higher education. Recognizing that there is no single path to success in

education, we commit to nurturing diverse talents and abilities that demand a more flexible and adaptable approach. By embracing the power of innovative solutions, we can create a more inclusive, flexible, and student-centered education system that equips our children with the skills they need to thrive in a world in constant flux.

Between OMA and AAA, we are confident we can help students achieve their academic goals, while learning to balance their other commitments and aspirations. To learn more about how you can benefit from these educational options, check out our websites.

SPECIAL CLASSES

ELIGIBILITY

Exhibitors are responsible for knowledge of the rules pertaining to eligibility and entry restrictions for these Special Classes. Any exhibitor who competes and is then determined to be in violation of eligibility will forfeit their placing, award, and prize money. No refund of entry fees will be made. National Standard will be used in cases where it applies.

MEMBERSHIP

Membership in any league is not required to compete in these classes. However, membership is required for points to count with the leagues. Please join before the class.

POST ENTRY

Once an order of go is established, a post entry will be required to go at the top of the order. Any entry in these special classes not received by the closing date of the show will be considered a post entry and the post entry fee listed will be charged.

REFUNDS

Any class that has a required number of entries that is not met, and is canceled will entitle all entry & nomination fees to be refunded. If exhibitor elects to compete in a 100% add back class in place of the special class the entry fees will be distributed to the winners at 40%, 30%, 20%, 10% to 1st to 4th place respectively. No refund after order of go is drawn. If after walking the course of any Grand Prix Class, a rider feels he must scratch he will be eligible for 50% of the entry fee only for that class.

ATTIRE

See page 60 on Attire.

SCRATCHES

Any class with more than one round may not be scratched for any reason after the first round has begun. If a special class is scratched the day before the class is scheduled a full refund will be given. There will be no refunds for classes scratched on the same day. Except in case of Grand Prix classes the above refund rule will apply.

AWARDS

Winners will be required to ride for presentation of awards and photographs. Winners consent to having their photographs used for any publications pertaining to ESP shows.

PRIZE MONEY

Prize money will be credited to the entry's show account after the results of the class winnings are posted or a check will be mailed to the owner at the address on the entry blank within thirty days after the show, thereby ending the show's responsibility. Any class that has a number of entries required, will have the payout based on the number of on time entries and post entries will not be included in the number used to determine the payout. Classes that do not have enough entries to pay out prize money will either be canceled, or run without prize money at the exhibitors option. Any class with less than 4 entries will not pay prize money and entry fee will be as listed. Exception: USEF Rated Hunter sections will pay out with 3 Entries.

CHECK CLASS SPECS ON INDIVIDUAL CLASSES FOR MORE INFORMATION ON PRIZE MONEY BREAKDOWN.

THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

If the horses have not been in the country 60 days, they are to be accompanied by a like certificate issued by a full-time salaried veterinary officer of the national government of each country in which the horses have been during the 60 days immediately preceding shipment to the United States.
2. Been inspected and found free of contagious diseases and insofar as can be determined exposure thereto during the 60 days immediately preceding exportation.

Horses presented for entry into the United States from countries that are not recognized by the USDA as being free from VEE or screwworm are required to be quarantined for a minimum of 7-days at the port of entry. Quarantine charges are \$270.00 per day for each horse for days 1 through 3, and \$195.00 for each horse for days 4 through 7 (prices subject to change without prior notice.) If the length of quarantine is extended beyond 7 days, the quarantine rate may be lowered. While in quarantine, tests for dourine, glanders, equine piroplasmiasis, and EIA are conducted.
