Dear USEF Participant:

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and **Minor Athlete Abuse Prevention Policies**, also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the **USEF Safe Sport Incident Reporting Form** available on the USEF website.

Concerns or suspicions regarding sexual misconduct must be reported to <https://safesport.i-sight.com/portal> and the authorities if a minor is involved. All of this information can be found in the USEF **Safe Sport Policy**.

Please take a moment to review the new USEF Safe Sport web pages on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at sgilbert@usef.org for any questions or concerns relating to the USEF Safe Sport program.

Thank you for your support and for helping us bring the joy of horse sports to as many people as possible!

COMPETITION FEES

GR208.1 Competition Fees. [Chapter 2. Membership Classifications 1. For every horse participating in any competition licensed by the Federation, a \$23 Federation fee will be collected (\$15 shall be an Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3). Exception: Horses entered in classes exempted from the Equine Drugs and Medication fee are also exempt from the balance of the Federation fee. A \$7.00 USHJA Fee per horse entered at National & Jumper 4* And Higher Shows, and \$2.00 at Regional Shows. \$33 will be charged for each horse competing in FEI competitions. An IHP fee of \$35 will be charged to each horse showing in any Computer Ranked Grand Prix.

JUMP ORDER

In all classes over fences management MAY designate the order of go. All orders will be posted at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the paddock masters involved — don't rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with a posted order of go will use the following procedure in accordance with JP112.2: the horses names are drawn individually, starting from the first position and then down.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vests worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

FOUND ON JUDGES CARD PENALTY

Horses competing in classes that they have not been entered in the office on the official add/drop form (there is no adding at the gate) all adds that come off that will be required to pay \$80 per class.

MEDICAL WASTE & SHARPS

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation.

POLING

We do not allow any sort of manual poling or poling of any type on the competitions show grounds.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged

twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended
7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

PROPER JUMPER ATTIRE

Coats of any color are required. Breeches must be a light color (white, fawn or canary). Pastel and dark colored breeches are not allowed. Shirts, light in color, must be tucked in and fastened at the top of the neck. Ties or chokers of any color must be worn (unless the shirt, by design, has the choker built in for its intended use). Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

Classes requiring Proper attire are any Classic or Stakes class.

STANDARD JUMPER ATTIRE

Coats are not required. Breeches of any color are permitted. Shirts (polo shirts are permitted) must have collars and sleeves (sleeves may be either long or short), and must be tucked into the breeches. Sleeveless shirts and shirts with exposed hoods are prohibited. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

In extreme weather conditions the use of jackets, sweaters or raincoats, **without exposed hoods** can be allowed by management and/or permission from the jumper jury. **Permission must be granted before entering the competition ring.**

In cases where the above requirements are not followed the penalty will be either a possible warning (for the first offense) or elimination. Please note that competitors are responsible for their own clothing. A wardrobe malfunction (e.g., magnets, zippers, buttons breaking) is not an excuse for improper attire.

Safety vests are permitted without a show coat ONLY if being worn with a color matched long sleeved, collared shirt. Example: A black long sleeve collared shirt can be worn with a black safety vest.

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will result in elimination.

1. Standard Hunt and Go Format

a. The Classic Hunter Round, consisting of seven to eight (7-8) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to eight (5-8) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

ATTIRE: Formal dress attire is suggested but not required: Buff breeches and Shadbelly. White breeches and dark or scarlet coat, hunt colors, or official sponsor or team jacket permitted.

THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 Lausanne, Switzerland.

Telephone: +41 21 310 47 47. The Code is available in English & French.
