FEI RULES

An FEI Prize List will be released under separate cover once all of the draft schedules have been approved by FEI.

• IMPORTANT INFORMATION •

- Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2025, the athletes respective Federation weekly declaration IS THE AUTOMATIC NOMINATION INTO THE #9999 JOG CLASS. The athlete must manually withdraw (with Federation or in the Horse Show Office) any horse they do not plan to show (incorrectly nominated by their Federation) by 4:00 PM, Sunday the week prior to the competition to avoid paying the \$675 "no-show" fee as stated in the approved FEI schedule.
 - We ask that you ONLY declare the number of horses that are allowed in FEI each week; i.e., please don't have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be NO EXCEPTIONS to this rule.
 - The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until one hour prior to the jog/horse inspection. After that time there will be NO SUBSTITUTIONS.
 - Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet. All Declarations must be made by 4:00 PM the day before the class is held, unless otherwise specified.
 - Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question.
 - Responsible party MUST notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
 - Horses must be checked in to FEI secure stabling area between 10:00–11:00 AM for Veterinary/Passport pre-check before the horse inspection begins each week. (Unless approved FEI schedule says otherwise)
- **NOTE: there is a webcam and clock posted at the security gate for management and jury to ensure compliance.****
- FEI Horse Inspection will take place at 12:00 PM of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary.)
 - Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
 - Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.
- Other FEI Important Information:**
- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
 - FEI Photos are taken in Exhibitor Services
 - Credentials are signed out from the FEI Office in the FEI Compound
 - Five passes will be issued per horse
 - Rider
 - Trainer

STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013. WE WILL NOW ADHERE TO GR845 IN WHICH:

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The

log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

\$75,000 BATTLE OF THE SEXES EXHIBITION

CLASS 120

Saturday Evening, January 4, 2025

The Battle of Sexes is an exhibition competition between a team of 8 female riders and a team of 8 male riders competing at the WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows:

Phase I Table C FEI art 239

Faults under Table C are penalized with 2 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 8 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 8.

Phase II GCC Relay Format

Each team will have two teams of three riders. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20m. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 10.

GCC Relay Format Scoring Clarifications:

2 Seconds added for each rail.

4 seconds added total — for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off.

The decision of the ground jury is final.

Phase III Match Race FEI Art 272

This competition involves a head-to-head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C Art. 239 with 3 seconds added per knockdown. All 8 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 24.

Draw: Each team will choose its own Captain. The Captains list their 8 riders for Phase I. The Winning Team from the previous year will go first in phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 8. The leading team will go first. After that, the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head-to-head in one final heat. The riders will wear team jerseys provided by management.

PRIZE FUND:

\$50,000 Winning team. \$25,000 Reserve team

International Hunter Derby Specifications

Traditional Format

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped separately. All participants will complete the Classic Round. Only the top 12, including ties, from the Classic will compete in the Handy Round.

1. The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total

score of each horse-and-rider combination for this round.

2. The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace, brilliance, and handiness are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score each judging panel must award an Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped and a Handy Bonus Score on a scale of 0-5 to award handiness in the round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.

3. The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.

4. The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class. If any of the top 12 entries from the Classic Round elect not to return, then they will receive a score of 0 for the Handy Round.

5. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

Prize Money

\$7,500, \$5,500, \$3,250, \$2,000, \$1,500, \$1,250, \$1,000, \$750, \$750, \$500, \$500, \$500

CLASS 907 \$25,000 USHJA 2* INTERNATIONAL HUNTER DERBY

PRESENTED BY BLUCREEQ SPIRITS

ENTRY FEE: \$800

Soundness

A. Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase

Stabling/Schooling

A. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.

B. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.

C. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

Membership & Participate Requirements

A. Riders, Owners and Trainers must be current Active members of USEF and USHJA prior to the start of the class.

B. Horses must be recorded with USEF and USHJA.

C. Horses must be enrolled **or pay a non-enrolled horse fee to participate.**

D. The same horse may not compete in a USHJA International Hunter Derby & USHJA National Hunter Derby at the same competition.

E. Horses entered in this class are not required to show in any other hunter or jumper class at the same competition.

Hunt and Go Format

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals total across both phases, off-course, etc.) will result in elimination.

1. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.

2. After the completion of the classic round, horses will pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

3. Each panel (or each judge if two judges are used) will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.

4. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

Prize Money

\$7,500, \$5,500, \$3,250, \$2,000, \$1,500, \$1,250, \$1,000, \$750, \$750, \$500, \$500, \$500

All riders in the top 12 overall (or their designated representative if they are not available) must ride for ribbons in order to receive prize money.

Cooler Awarded to First Place

THE 16TH ANNUAL GREAT CHARITY CHALLENGE EXHIBITION CLASS

SPONSORED BY FIDELITY INVESTMENTS®

The teams are made up of 1 professional/ Grand Prix rider, 2 Junior/Amateur riders. (The team can have 2 Amateurs, or 2 Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider one's horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

The band will play a 45 second intro while the riders become acclimated with the ring and set in their ready positions.

Please note that we need all teams to enter at the instruction of staff and exit promptly after the completion of their round. We are holding the next team up from entering the ring until all horses have cleared the ring chute. After leaving the chute please go left.

Costume Guidelines

Please note that Management reserves the right to ask riders to remove any part of their costumes which are considered unsafe while competing (examples include capes, anything that obstructs vision or scares horses, etc). We highly encourage team spirit and fun, but safety needs to be paramount.

All costume judging to take place during the course walk in the International Arena.

Riders Are Not To Start During The Initial 45 Second Music Set

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the

15 seconds without a start, the timer will automatically begin. The professional must jump the 1.30 course but the team can decide who jumps the 1.10 and 1.20 courses.

Class Scoring Clarifications

2 seconds added for each rail.

4 seconds added total for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #15 before the previous team member's horse's front two feet land from fence #7 or #14 respectively. The ground Judges at Fence #7 and fence #14 will signal the landing of the fence by raising a red flag.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. The 1.10 or the 1.20 team rider is eliminated for two refusals and or fall of horse or rider: If this takes place, it is the next team member in sequence that is responsible for taking over in the course where the previous team member left off. If the professional is eliminated for two refusals or fall, unfortunately the team will not receive a score.

Holding Area Safety - For the past several years there has been too many people on the ground around the horses prior to the teams going in the ring. In the interest of safety, with the exception of a single team captain and 1 groom per horse we will be requiring everyone else to remain behind the barrier fences. This is for both before the round and after the round. The teams will be responsible for any of these violations and can be assessed a one second penalty by Management or officials for any violation. This is in the interest of everyone's safety so please make sure all of your ground support are aware of these rules.

The decision of the ground jury and/or management is final.

JUMPER ATTIRE

This will be enforced so please make sure you are dressed according to what class you are entered in. Please be advised Exposed Hoodies of any kind are prohibited.

Formal Jumper Attire

Dark, muted or similar colored, or red (scarlet) coats are required; white or fawn breeches; a white tie, choker (unless the shirt, by design, has the choker built in for its intended use) or hunting stock, and a white or lightly colored shirt must be worn. Shirts must have a white collar and white cuffs. Shirts must be fastened at the neck and tucked in. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn. Members of the Armed Services or the police may wear the service dress uniform with protective headgear. (See General Rules, GR801.2)

Classes requiring Formal Attire are any Grand Prix or special class offering at least \$25,000 in prize money.

Proper Jumper Attire

Coats of any color are required. Breeches must be a light color (white, fawn or canary). Pastel and dark colored breeches are not allowed. Shirts, light in color, must be tucked in and fastened at the top of the neck. Ties or chokers of any color must be worn (unless the shirt, by design, has the choker built in for its intended use). Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

Classes requiring Proper attire are any Classic or Stakes class.

Standard Jumper Attire

Coats are not required. Breeches of any color are permitted. Shirts (polo shirts are permitted) must have collars and

sleeves (sleeves may be either long or short), and must be tucked into the breeches. Sleeveless shirts and shirts with exposed hoods are prohibited. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

In extreme weather conditions the use of jackets, sweaters or raincoats, without exposed hoods can be allowed by management and/or permission from the jumper jury. Permission must be granted before entering the competition ring.

Air Vests

Air vests are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes, Judges are instructed not to deduct points for the use of air vest worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vests that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors. Air vests are permitted without a show coat ONLY if being worn with a color matched long sleeved collared shirt. Example: A black long sleeved collared shirt may be worn with a black safety vest

In cases where the above requirements are not followed the penalty will be either a possible warning (for the first offense) or elimination. Please note that competitors are responsible for their own clothing. A wardrobe malfunction (e.g., magnets, zippers, buttons breaking) is not an excuse for improper attire.

- After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to seven (5-7), shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
- Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase. The scores from each judge will be added together to determine the total score and placement.
- A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- For the Hunt and Go Format it is recommended that the judge designated to the Handy Hunter phase be the tie breaker.

30. WEF General & Animal Welfare Policy

Upholding the welfare of the horses exhibited here is of primary concern to Equestrian Sport Productions, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times for horses competing at the WEF we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the U.S. Equestrian, Inc. which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the Federation policy on abuse), GR843 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should

take into account the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing in the WEF starting one half hour before the first scheduled class of the competition and continuing until the last scheduled class of the competition is completed

31. Poling & Off-sets

Manual poling and the use of bamboo offsets are prohibited for all horses competing in the WEF. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

32. Comportment

Exhibitors are notified that any act of discourtesy or disobedience to the Judges or Officials on the part of any owner, rider, trainer, family member, or groom may disqualify the horse and the owner will forfeit all entry and other fees.

33. Hard Hat Rule

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience. The Competition will uphold all rules listed under GR801.

34. Combining & Splitting

Sections that are scheduled as split sections will be combined following current USEF rules. All USEF Federation rules for combining Rated sections will be in affect. If you are interested in sponsorship contact show management the day before the section is started to avoid last minute changes. The show will be in compliance of HU 116 and

WEF GENERAL REGULATIONS

CONTINUED

HU 112-118. Please note classes will not be re-divided after close of entries at 4 p.m. the day before the section starts. Any entry and accepted after the closing time will not be calculated in the minimums for splitting.

35. Champion & Reserve

Champion and Reserve Champion will be awarded in all Hunter Sections. The awards will be made to two of the four horses that have acquired the most points in the over fences classes. In addition to these points, only those four horses shall receive full points for ribbons won in the Under Saddle Class. Points will be awarded on the basis of 10, 6, 4, 2, 1, ½ for 1st, 2nd, 3rd, 4th, 5th, 6th places respectively. All classes are full point classes, except MODEL classes which are ½ point classes. Champion and Reserve Champion will be awarded in all Jumper sections on the basis of points in accordance with JP110.2. Ties to be broken by Highest Placing in the Classic. A Champion and Reserve Champion will be awarded in the Equitation Section and in accordance with EQ106.86.a with the top two riders with the most points being eligible.

36. Protest

Any exhibitor lodging a protest must first deposit \$200 for USEF Members or \$300 for Non-Members with the Show Secretary, or Steward which sum will be forfeited to the show if the same is not sustained. All protests must be addressed to the Show Secretary or Steward and made in writing, signed by the protester, and filed with the Show Secretary, Show Manager or Show Steward within 48 hours. Funds must be payable to USEF. Protests may also be filed with the Federation Hearing Committee as outlined in GR603.1.

37. SafeSport

Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

38. Air Vests

Air vests are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes. Judges are instructed not to deduct point for the use of an air vest. Please note that the show will not be delayed in order to reset the air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers, and entire vest) so that the vests that have been inflated can quickly be returned to their operation. Please look for canister recycling containers located at participating air vest vendors.

VETERINARY EXAMINATIONS, INSPECTIONS & PASSPORT CONTROLS

Veterinary Regulations, 10th Edition, effective 1 June 2006

A horse inspection will be scheduled for each week in which FEI competitions are held. Rider's will be notified and notice will be posted in the competition office 24 hours before.

These will be carried out in accordance with the "Veterinary Regulations", Art. 1011 & the discipline rules.

"General Regulations", 22nd Edition, effective 1 June 2007 will apply:

Art. 139.1

Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2

Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

Equine Influenza Vaccination

Vet. Regs. Annex VII (except events taking place in NZL & AUS)

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

Sampling For Prohibited Substances

(Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCI3*/4*, CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016).

Health Requirements For The Entry Of Horses/Ponies

- A. FL regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination in FL, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and markings of each animal listed. Date of test and approved laboratory must be shown on health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination.
