March 2023

Dear Exhibitor,

We are excited for the Equestrian Sport Productions (ESP) Spring I Horse Show benefitting the A-T Children's Project (A-TCP) and we hope you will join us! The A-TCP nonprofit organization works vigorously to find life-improving therapies and a cure for ataxia-telangiectasia (A-T). In addition to research, the A-TCP provides support and resources to families affected by A-T, including information about medical care, adaptive equipment and financial assistance.

A-T is a rare genetic disease that affects multiple systems of the body, including the immune, nervous, and respiratory systems in children and young adults, shortening their lives. Children with A-T are typically confined to wheelchairs before the age of 10 and are predisposed to fatal cancers.

Because A-T is a multi-system disease, scientists believe that A-T research will help more prevalent diseases such as Alzheimer's, Parkinson's, AIDS, and cancer. The A-TCP utilizes the funds raised to accelerate first-rate, international scientific research aimed at finding a cure and improving the lives of children with A-T.

ESP has been a proud supporter of A-TCP through charity horse shows since 1994. This year's 2023 charity horse show, ESP Spring I, will take place from Wednesday, April 5 – Saturday, April 8. A-TCP will be the primary beneficiary of this ESP event. Don't miss the most exciting class of the week a National Grand Prix on Saturday afternoon!

We are currently accepting participant registrations and donations for this event, and we hope to see you there. Donations can be made online at atcp.org/EquestrianSportProductions. For more information about the event, please visit us at wellingtoninternational.com.

For more information about A-T, please visit atcp.org.

Sincerely,

A handwritten signature in black ink that reads 'Kimberly Beisner'.

CLASS 1000

THE INAUGURAL SPRING EQUITATION CHAMPIONSHIP

SPRING II

The Spring Equitation Championship is a new annual Equitation Final introduced to ESP Spring Series. The term "equitation" is synonymous with "good riding" which is what this final stands for. Riders must be declared by 4:00 P.M. on Thursday April 13th. A random order will be used to order the class. This Championship is open to Junior members only.

JUDGING: The Judges panel will be designated by management. Each panel will submit a numerical score for Round 1 and Round 2 which will be added together for a final score. IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.
