FEI RULES

An FEI Prize List will be released under separate cover once all draft schedules have been approved by FEI.

• IMPORTANT INFORMATION •

- Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2025, the athletes respective Federation weekly declaration IS THE AUTOMATIC NOMINATION INTO THE #9999 JOG CLASS. The athlete must manually withdraw (with Federation or in the Horse Show Office) any horse they do not plan to show (incorrectly nominated by their Federation) by 4:00 PM, Sunday the week prior to the competition to avoid paying the \$675 "no-show" fee as stated in the approved FEI schedule.
 - We ask that you ONLY declare the number of horses that are allowed in FEI each week; i.e., please don't have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be NO EXCEPTIONS to this rule.
 - The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until one hour prior to the jog/horse inspection. After that time there will be NO SUBSTITUTIONS.
 - Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet. All Declarations must be made by 4:00 PM the day before the class is held, unless otherwise specified.
 - Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question.
 - Responsible party MUST notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
 - Horses must be checked in to FEI secure stabling area between 10:00–11:00 AM for Veterinary/Passport pre-check before the horse inspection begins each week. (Unless approved FEI schedule says otherwise)
- ** NOTE: there is a webcam and clock posted at the security gate for management and jury to ensure compliance.****
- FEI Horse Inspection will take place at 12:00 PM of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary.)
 - Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
 - Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.
- Other FEI Important Information:
- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
 - FEI Photos are taken in Exhibitor Services
 - Credentials are signed out from the FEI Office in the FEI Compound
 - Five passes will be issued per horse
 - Rider
 - Trainer
 - Groom
 - 2 Owner (Must be the owner of record in the Passport)
- **Note we DO NOT issue FEI credentials for spouse/friend/media****

X-TECHNOLOGY

AS-X is an innovative and exclusive tree technology that offers a unique system on the market. It allows the saddle to adapt to the movements of the horse's back, enhancing the horse's athletic abilities while guaranteeing the rider's stability. This technology combines two key components: X-Technology with injected membranes for maximum stability in the saddle, and the "Adaptive System," a shock absorbing system that allows both the lateral/torsional and axial movement of the tree through a central joint. The AS-X technology is available both in dressage and jumping saddles, visit Prestigeitalia.com website to discover more.

STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013. WE WILL NOW ADHERE TO GR845 IN WHICH:

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and

logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended
7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

\$75,000 BATTLE OF THE SEXES EXHIBITION

CLASS 120

Saturday Evening, January 4, 2025

The Battle of Sexes is an exhibition competition between a team of 8 female riders and a team of 8 male riders competing at the WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows:

Phase I Table C FEI art 239

Faults under Table C are penalized with 2 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 8 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 8.

Phase II GCC Relay Format

Each team will have two teams of three riders. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20m. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 10.

GCC Relay Format Scoring Clarifications:

2 Seconds added for each rail.

4 seconds added total — for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off.

The decision of the ground jury is final.

Phase III Match Race FEI Art 272

This competition involves a head-to-head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C Art. 239 with 3 seconds added per knockdown. All 8 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 24.

Draw: Each team will choose its own Captain. The Captains list their 8 riders for Phase I. The Winning Team from the previous year will go first in phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 8. The leading team will go first. After that, the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head-to-head in one final heat. The riders will wear team jerseys provided by management.

Prize fund:

\$50,000 Winning team. \$25,000 Reserve team

International Hunter Derby Specifications

Traditional Format

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped separately. All participants will complete the Classic Round. Only the top 12, including ties, from the Classic will compete in the Handy Round.

1. The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total

score of each horse-and-rider combination for this round.

2. The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace, brilliance, and handiness are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score each judging panel must award an Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped and a Handy Bonus Score on a scale of 0-5 to award handiness in the round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.

3. The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.

4. The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class. If any of the top 12 entries from the Classic Round elect not to return, then they will receive a score of 0 for the Handy Round.

5. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

Prize Money

\$7,500, \$5,500, \$3,250, \$2,000, \$1,500, \$1,250, \$1,000, \$750, \$750, \$500, \$500, \$500

CLASS 907 \$25,000 USHJA 2* INTERNATIONAL HUNTER DERBY

PRESENTED BY BLUCREEQ SPIRITS

ENTRY FEE: \$800

Soundness

A. Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase

Stabling/Schooling

A. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.

B. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.

C. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

Membership & Participate Requirements

A. Riders, Owners and Trainers must be current Active members of USEF and USHJA prior to the start of the class.

B. Horses must be recorded with USEF and USHJA.

C. Horses must be enrolled or **pay a non-enrolled horse fee to participate.**

D. The same horse may not compete in a USHJA International Hunter Derby & USHJA National Hunter Derby at the same competition.

E. Horses entered in this class are not required to show in any other hunter or jumper class at the same competition.

Hunt and Go Format

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals total across both phases, off-course, etc.) will result in elimination.

1. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.

2. After the completion of the classic round, horses will pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

3. Each panel (or each judge if two judges are used) will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.

4. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

PRIZE MONEY

\$7,500, \$5,500, \$3,250, \$2,000, \$1,500, \$1,250, \$1,000, \$750, \$750, \$500, \$500, \$500

All riders in the top 12 overall (or their designated representative if they are not available) must ride for ribbons in order to receive prize money.

THE 16TH ANNUAL GREAT CHARITY CHALLENGE EXHIBITION CLASS

SPONSORED BY FIDELITY INVESTMENTS®

The teams are made up of 1 professional/ Grand Prix rider, 2 Junior/Amateur riders. (The team can have 2 Amateurs, or 2 Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider one's horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

The band will play a 45 second intro while the riders become acclimated with the ring and set in their ready positions.

Please note that we need all teams to enter at the instruction of staff and exit promptly after the completion of their round. We are holding the next team up from entering the ring until all horses have cleared the ring chute. After leaving the chute please go left.

Costume Guidelines

Please note that Management reserves the right to ask riders to remove any part of their costumes which are considered unsafe while competing (examples include capes, anything that obstructs vision or scares horses, etc). We highly encourage team spirit and fun, but safety needs to be paramount.

All costume judging to take place during the course walk in the International Arena.

Riders Are Not To Start During The Initial 45 Second Music Set

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the

15 seconds without a start, the timer will automatically begin. The professional must jump the 1.30 course but the team can decide who jumps the 1.10 and 1.20 courses.

Class Scoring Clarifications

2 seconds added for each rail.

4 seconds added total for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #15 before the previous team member's horse's front two feet land from fence #7 or #14 respectively. The ground Judges at Fence #7 and fence #14 will signal the landing of the fence by raising a red flag.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. The 1.10 or the 1.20 team rider is eliminated for two refusals and or fall of horse or rider: If this takes place, it is the next team member in sequence that is responsible for taking over in the course where the previous team member left off. If the professional is eliminated for two refusals or fall, unfortunately the team will not receive a score.

Holding Area Safety - For the past several years there has been too many people on the ground around the horses prior to the teams going in the ring. In the interest of safety, with the exception of a single team captain and 1 groom per horse we will be requiring everyone else to remain behind the barrier fences. This is for both before the round and after the round. The teams will be responsible for any of these violations and can be assessed a one second penalty by Management or officials for any violation. This is in the interest of everyone's safety so please make sure all of your ground support are aware of these rules.

The decision of the ground jury and/or management is final.

THE KRISTEN BARAN \$100,000 EXHIBITION STAKE CLASS FOR THE BENEFIT OF THE NEIL S. HIRSCH BOYS & GIRLS CLUB OF WELLINGTON

CLASS 130

This class will be conducted under USEF General Rules and drug testing procedures. Points from this class are not to be counted towards USEF or USHJA HOTY Awards

Open to up to 25 teams. The top 22 teams will qualify as per specifications below, and three additional teams will be awarded to **Wild Card Buy In For Charity*** -Team nominations will be accepted in the horse show office from January 9, 2025 until February 4, 2025. Entry Fee for the class will be \$2,400/Team. The top 22 nominations will be accepted based on the cumulative point totals of all three horses on a team earned showing in any rated division with jumps set at 3'3" or higher during the ESP Holiday Series and/or the Winter Equestrian Festival up to and including WEF IV. Point totals to be based on the WEF point chart used for WEF Circuit Awards. In the case of a tie for the twenty second position, the top professional point value will break the tie. If necessary to reach the maximum number of 25 teams entered, at Management's sole discretion, additional entries may be accepted after the close of entries. No nomination fees will be charged for teams that are not ultimately accepted.

Wild Card Buy In For Charity* - Three additional teams will be awarded entry into the class based on the three top bids. Wild Card Teams are exempt from qualification factors. A silent auction bidding sheet will be placed in the show office. Bidding will close on February 6, 2025 at 4:00 PM. 100% of the top three team bids will go directly to the Boys & Girls Club Charity.

Each team will consist of one professional, one amateur and one junior rider. Teams will be created by the individual team members and will be entered as teams. To be eligible to compete, all horses and riders on any team must have competed in at least one rated hunter division with jumps 3'3" or higher at any competition held during the ESP Holiday Series, or the Winter Equestrian Festival up to and including WEF IV. Riders will be limited to competing on one team only. Each rider on a team must have a designated trainer and designated groom.

This class will be held over one round. Each of the three riders on a team will compete once. Individual riders on each team may compete for their team in the order in which they choose.

Format

- The course will be divided into three consecutive courses with six to eight jumps in each course. The three courses will increase in difficulty with the final course being a Handy Hunter Course.
- Each team will choose the order in which their team members will compete.
- All three riders on a team will enter together and go to their individual designated position on the field prior to starting their rounds.
- Once the team is positioned on the field and the team is introduced by the announcer, the first rider on each team will be allowed a courtesy circle and will then proceed to their first jump. As the first rider on each team lands from the last jump on their classic course, the second rider from their team may begin their courtesy circle. They may not jump their first jump until the previous rider has landed from their last jump. As the second rider on each team lands from the final jump on their classic course, the third rider from their team may prepare to start their course. They may not jump their first jump until the previous rider has landed from their last jump.
- If a rider on any team jumps the first jump of their course prior to the previous rider jumping the last jump of their course that rider will receive a score of zero.
- As the third rider on each team completes their course, the entire team will come together & exit as a team while their total scores are announced & posted.
- **All teams enter at the instruction of staff and exit promptly after the completion of their rounds.**

Course

Each section of the course will consist of six to eight fences set at 3'3". A minimum of 2" difference is required for the back element of an obstacle. The jumpable portion of any jump must be a minimum of eight feet on its front face. Flat cups may only be used for obstacles involving logs and/or in accordance with Federation rules.

• Classic Course

- Course to simulate riding over hunt country or an old-fashioned hunter stake class with few related distances and suitable opportunities to demonstrate pace, brilliance and classic jumping style
- Jumps must simulate those reminiscent of the hunt field and the course must offer a variety of jumps with different appearances such as, but not limited to: natural post and rail, split rail, stone wall, white board fence, riviera gate, coop, aiken, hedge, brush, logs, natural foliage, a jump with no standards.

• Handy Hunter Course

- Jumps and track must simulate those found in trappy hunting country.
- The course must have at least two changes of direction, at least one in

and out, as well as three of the following: hand gallop a jump, bending line, rollback turn, halt, fence at the end of the ring or open a gate while mounted.

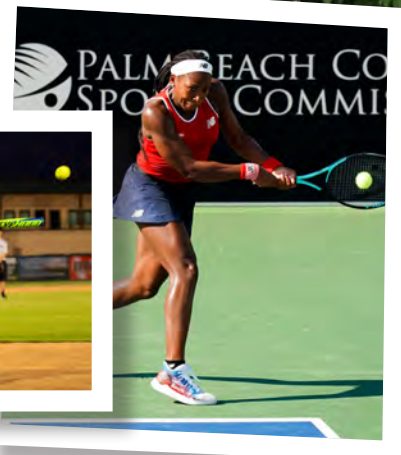

- For appropriate jumps, no ground line is permissible.
- No trot jumps to be allowed.

Judging

- To be judged on performance and soundness with an emphasis on brilliance.
 - **Classic Hunter Round** - Judged on even hunting pace, manners, jumping style together with faults and way of moving over the course. Brilliance should be emphasized.
 - **Handy Hunter Round** - Judged on pace, promptness and tight turns without adversely affecting performance or style. Brilliance should be emphasized.
- To be judged by three judging panels consisting of two judges each. A minimum of one "R" judge is required per panel. All judges must be in good standing with the Federation and the USHJA.
- Open numerical scoring system will be utilized.
- Panel One will judge the first rider on each team over their course and give that rider a numerical score. Panel Two will judge the second rider on each team over their course and give that rider a numerical score. Panel Three will judge the third rider on each team over their course and give that rider a numerical score.
- Once all three riders from each team have received their score the lowest score from each team will be dropped. The remaining two scores from each team will be added together to come up with a total score for each team.
- All scores to be announced.
- Any ties will be decided by the highest drop score. Any further ties will be decided by the highest score from Panel #1.

WORLD CHAMPIONSHIP HUNTER RIDER SPECTACULAR CLASSICS

The Hunter Classics listed in this section will only be held during the WCHR Spectacular week at the Winter Equestrian Festival Week 6. The long-standing tradition of the WCHR Program to self-fund events continues, as each horse competing in any WCHR Professional, Junior 3'6", or Amateur Owner Hunter Section, 3'6" or higher, will pay a \$150 nomination fee per section and any horse competing in any WCHR section for Developing Professional, Junior 3'3". Amateur Owner 3'3", Childrens, Adult Amateur, and Pony will pay a nomination fee of \$75.00. One hundred percent of the nomination fees, in addition to a contribution from the USHJA WCHR Program, will create the purse for 1st through 12th place in the USHJA WCHR Palm Beach Hunter Spectacular and High Score Awards.

Leading Hunter Rider Award: A plaque will be awarded to the rider who achieves the single highest numerical score in any one class within any WCHR hunter section during WCHR Spectacular week. The rider must be currently enrolled in the WCHR program*.

High Score Awards: A jacket will be awarded and \$500 to the riders as well as \$500 to the riders designated groom who achieve the single highest numerical score in any one class in each of the nine WCHR

categories: Professional, Developing Professional, Amateur Owner 3'6", Amateur Owner 3'3", Adult Amateur, Junior 3'6", Junior 3'3", Children's and Pony. The rider must be currently enrolled in the WCHR program*. Should a tie occur between two (2) or more riders for high score within a category or for the Leading Hunter Rider, the rider with the highest cumulative over fences in that section will be awarded the WCHR high score award and WCHR Leading Hunter Rider award.

- After the tie breaker should a tie still occur between two or more riders for high score within a category or for the Leading Hunter Rider, duplicate awards will be mailed. Riders must be enrolled in the 2025 WCHR program to be eligible for a high score award.

Grand Champion Divisions: Grand Champion will be awarded in the following divisions: Amateur Owner, Adult Amateur, Junior Hunter, Children's Pony, Children's Horse, and Pony Hunter. In the event of a tie, the tie will be broken by the horse-and-rider combination with the most points over fences.

The courses for all classics will consist of a minimum of ten (10) obstacles of at least six (6) different types.

section to compete. To be eligible to compete, a horse must have finished the section as one of the top four point earning horses over fences.

a. In the event of two way California Split, or more, the Champion and Reserve Champion of each split section (section A, section B, section C, etc.) are qualified. No further invitations will be extended even if any of the section's Champion or Reserve Champion decline or have a bye.

K. A horse must be ridden by the same rider throughout the entire hunter section (exception: under saddle classes) to be eligible to compete in the 2025 WCHR Hunter Spectacular of Palm Beach. Qualifying to compete in the WCHR Hunter Spectacular is based on the horse-and-rider combination; no horse or rider substitutions allowed.

L. Those riders who pre-qualify for the WCHR Hunter Spectacular through a bye must utilize that bye through entering a horse of their choice and then may qualify one additional horse out of the eligible hunter sections (see J.1-6). When a rider with one (1) bye qualifies two (2) horses out of the eligible hunter sections the horse with fewer points in their hunter section must be used for the bye.

M. In the case that a rider pre-qualifies with two (2) byes he/she must utilize both of those byes. In the event that a rider has two (2) byes, he/she may not qualify any additional horse out of the eligible hunter sections.

N. When qualifying from more than one section, the qualifying horse-and-rider combination will compete in the Spectacular in the section from which they have the highest number of points on the championship chart. In the case of an equal number of points in more than one (1) section, the horse-and-rider combination will compete in the Spectacular from the section from which they first qualified. In the Green Conformation and High Performance Conformation, the model class points will not count towards qualifying.

O. Horse-and-rider combinations will compete at the respective height of the section from which they qualified or in the case of invitees, at any one respective height for which they are eligible.

P. In fairness to all potential entrants, declarations from Professionals to show in the WCHR Hunter Spectacular, whether utilizing a bye or qualifying from one (1) of the following hunter sections: Green 3'6", Green 3'9", Green Conformation, High Performance Conformation, Performance Working Hunter 3'6" and High Performance Working Hunter, must be made with USHJA staff at the USHJA/WCHR tent and in the Horse Show office by noon on Friday, February 14, 2025. Riders who have a bye must declare their intent to compete by the Friday deadline; they then have until one-hour after the last qualifying WCHR section is completed to designate their horse. Once the competitor declares or declines their intent to compete in writing with USHJA, that decision is final.

Q. Declarations from Juniors and Amateurs must be made within one (1) hour of the conclusion of each rider's last eligible section. (i.e., Juniors after the final Junior Hunter Section and Amateurs after the final Amateur Owner Hunter Section) whether utilizing a bye or qualifying from one (1) of the Junior and Amateur sections. This will allow WCHR to extend timely invitations to the next eligible rider should someone decline to participate.

II. HOTY Points/ Money Won

A. In order for HOTY points to be awarded, riders must complete a USHJA/WCHR Declaration Form prior to the class.

B. Points accrued by horses shown by Professionals may be awarded to: Green 3'6", Performance 3'6", Green Conformation

3'6", Green 3'9", High Performance Conformation, High Performance Hunter.

C. Points accrued by horses shown by Juniors or Amateurs may be awarded to: Amateur Owner 3'6" 18-35, 36 and Over, Junior 3'6" Large Younger, Large Older, Small Younger, Small Older.

D. The Spectacular will count for HOTY points and money won (where applicable) in the section declared at the time of entry, for which the horse must be eligible and that corresponds to the height jumped in the Spectacular. The two-round stand-alone Hunter Classic point scale will be utilized when awarding National HOTY bonus points. See HU173.9(b).

E. HOTY points and money won will only be awarded towards a declared Hunter section for HOTY points if the horse competes in the declared section a minimum of five (5) times during the competition year.

F. The Spectacular class does not count towards WCHR Points.

III. Judging System

A. This is a two (2) round class.

B. Both rounds are to be judged by a minimum of three (3) judging panels consisting of two (2) judges each. Each panel will provide one (1) score for each round, which will be averaged and represent the final score for that round.

C. In case of a tie in either the first or second round: Panel One's score is the tiebreaker. Overall Score ties will remain tied. Prize money will be added together and divided equally.

D. The first round shall be judged on performance, hunter pace, jumping style, quality, substance, and movement.

CLASS 920 \$10,000 USHJA NATIONAL HUNTER DERBY HUNT & GO

PRESENTED BY NETJETS

ENTRY FEE: \$585

SCHOOLING

During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

MEMBERSHIP AND PARTICIPATION REQUIREMENTS

A. Riders, owners, and trainers must be current Active members of USEF and USHJA to participate in this class. (see GR202).

B. C. Horses and ponies must be registered with USHJA to participate in this class.

C. Exception: Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.

D. USHJA National and Zone HOTY bonus points will only be awarded if the owner is a current Active member of USEF and USHJA and the horse is recorded with USEF and registered with USHJA

E. Money won will only count for any USHJA National Hunter Derby standings or awards if the rider, owner and trainer are current Active members of USEF and USHJA, and the horse is registered with USHJA.

SOUNDNESS

Horses entered in this class will NOT be required to jog for soundness. All horses are required to trot a circle on a loose rein at the end of the over fences phase listed below. Horses may be asked to return to the ring and trot another circle at the judge's discretion. Judges have the authority to disqualify a horse if deemed unsound. Any unsoundness during the competition will be reflected in the scores from the judges (GR1033.6).

A. Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase.

COURSE REQUIREMENTS

STANDARD HUNT & GO FORMAT

The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will be combined from the Classic and Handy rounds and

will result in elimination. (i.e. a horse who has two refusals in the Classic Round will be eliminated after one refusal in the preceding Handy Round.)

- a. The Classic Hunter Round, consisting of five to seven (5-7) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.
- b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to seven (5-7) with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/ rider may not jump decorations or other obstacles in order to create a shorter track.
- c. Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
- d. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- e. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.
- f. For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

ATTIRE

Formal dress attire is suggested but not required: Buff breeches and Shad belly. White breeches and dark or scarlet coat, hunt colors, or official sponsor or team jacket permitted.

This class will be run in accordance with all rules stated in HU189. Log on to ushja.org for more information regarding this class.

E. Horses entered in this class are not required to show in any other hunter or jumper class at the same competition.

Hunt and Go Format

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals total across both phases, off-course, etc.) will result in elimination.

1. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.
2. After the completion of the classic round, horses will pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
3. Each panel (or each judge if two judges are used) will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
4. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

CLASS 920 \$10,000 USHJA NATIONAL HUNTER DERBY**PRESENTED BY ETHEL M CHOCOLATES****910 – OPEN****911 – JUNIOR/AMATEUR****CLASS PRICE: \$550, Plus a \$25 USHJA Mandatory Fee = \$575****ENTRY FEE: \$585****SCHOOLING**

During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

MEMBERSHIP AND PARTICIPATION REQUIREMENTS

A. Riders, owners, and trainers must be current Active members of USEF and USHJA to participate in this class. (see GR202).

B. C. Horses and ponies must be registered with USHJA to participate in this class.

C. Exception: Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.

D. USHJA National and Zone HOTA bonus points will only be awarded if the owner is a current Active member of USEF and USHJA and the horse is recorded with USEF and registered with USHJA.

E. Money won will only count for any USHJA National Hunter Derby standings or awards if the rider, owner and trainer are current Active members of USEF and USHJA, and the horse is registered with USHJA.

SOUNDNESS

Horses entered in this class will NOT be required to jog for soundness. All horses are required to trot a circle on a loose rein at the end of the over fences phase listed below. Horses may be asked to return to the ring and trot another circle at the judge's discretion. Judges have the authority to disqualify a horse if deemed unsound. Any unsoundness during the competition will be reflected in the scores from the judges (GR1033.6).

A. Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase.

COURSE REQUIREMENTS**STANDARD HUNT & GO FORMAT**

The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will be combined from the Classic and Handy rounds and

will result in elimination. (i.e. a horse who has two refusals in the Classic Round will be eliminated after one refusal in the a.

The Classic Hunter Round, consisting of five to seven (5-7) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.

b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to seven (5-7) with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

c. Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.

d. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.

e. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

f. For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

ATTIRE

Formal dress attire is suggested but not required: Buff breeches and Shad belly. White breeches and dark or scarlet coat, hunt colors, or official sponsor or team jacket permitted.

This class will be run in accordance will all rules stated in HU189. Log on to ushja.org for more information regarding this class.

INTERNATIONAL HUNTER DERBY SPECIFICATIONS

TRADITIONAL FORMAT

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped separately. All participants will complete the Classic Round. Only the top 12, including ties, from the Classic will compete in the Handy Round.

1. The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the

total score of each horse-and-rider combination for this round.

2. The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace, brilliance, and handiness are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score each judging panel must award an Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped and a Handy Bonus Score on a scale of 0-5 to award handiness in the round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.

3. The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.

4. The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class. If any of the top 12 entries from the Classic Round elect not to return, then they will receive a score of 0 for the Handy Round.

5. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

CHROME HORSE
SOCIETY®
TEQUILA

WWW.CHROMEHORSESOCIETY.COM

PRESENTED BY ARION SELLIER

The WEF Equitation Championship is a unique Equitation Finals. The term "equitation" is synonymous with "good riding" which is what this finals stands for. Riders will have the opportunity to show in The International Arena and be judged on their execution and style by several top horseman, some of which can be High Performance Riders.

QUALIFICATIONS: Invitations are automatically extended to winners prior to March 21 of any 2025 Winter Equestrian Festival (Premiere-WEF 11), & 2025 Holiday Series USEF Hunt Seat Medal, ASPCA Maclay, USEF Talent Search or WIHS Overall, Hunter Phase or Jumper Phase equitation classes. Previous winners of the WEF Equitation Championship are no longer eligible to compete. We will accept the top 40 riders for this final. If 40 riders are not entered by 4:00 P.M. on Thursday, March 20, we will accept riders based on their ranking using the Christy Conard standings. This FINAL is open to Junior members only.

JUDGING: The Judges panel will consist of 5 to 6 top horsemen designated by management. Each panel will submit a numerical score for Round 1 and Round 2 which will be added to the other panels score. One judge will judge the schooling area and penalize any rider with questionable practices from the time the horse enters the designated holding area and throughout the exhibition. Knowledge of USEF Jumper schooling rules EQ108.15 (see JP Appendix A) and good horsemanship may be rewarded. A negative 1 (-1), negative 2 (-2), zero (0), plus 1 (+1), or plus 2 (+2) may be added to the final round 1 and round 2 score. Round 3 will be scored but not announced.

PROCEDURES: All horses must remain in the designated area under the supervision of the Schooling Judge and the paddock master. Riders will be responsible for the management, warm up, and schooling of their own horse with the assistance of one (1) groom. Trainers will NOT be allowed to enter the designated area or competition ring throughout the exhibition. Competitors will be immediately ELIMINATED for the use of a cell phone or any contact between trainer and rider. The course and schooling will be the sole responsibility of the rider. Class will be conducted under USEF Jumper Schooling Rules EQ108.15 (see JP Appendix A).

ORDER OF GO: Order of go will be established based on the qualified riders ranking according to the Christy Conard Perpetual Standings as of the end of the day Thursday, March 20, 2025. The order of go will be in reverse order.

TACK AND ATTIRE: As per EQ 105.5a. Conventional hunter tack

ROUND 1: To be scored over fences. This course may include gymnastics, trot fences, oxers, verticals, and combinations. There will be no liverpools, water jumps, or a time allowed. Fences will be maximum of 3'6" in height and width. Open numerical scores will be given by each panel of judges. The scores will be added for a round 1 score and then the schooling judge score will be awarded to make the final round 1 score. Judge panel #1 score will break all ties for round #2.

ROUND 2: The top 12 riders from round 1 will return for round 2 in reverse order from Round 1. In the event of a tie for the 12th rider, they will both qualify for round 2. This course will be a minimum of 8 jumps with a maximum height and width of 3'6" with one simple change of lead being incorporated in the course. The scores will be added for a round 2 score and then the schooling judge score will be awarded to make the final round 2 score. The total scores from both rounds will be added together to determine the top four (4) riders for round 3.

ROUND 3: The top four (4) riders after rounds 1 and 2 will return the same night. In the event of a tie for the 4th rider, the highest score from round 2 will be the tie breaker. All four riders will enter the International Arena on their mounts for additional testing. This round may include USEF EQ 112 TESTS 1-19 as found in the USEF rulebook. JUMPER ATTIRE

This will be enforced so please make sure you are dressed according to what class you are entered in. Please be advised Exposed Hoodies of any kind are prohibited.

Formal Jumper Attire

Dark, muted or similar colored, or red (scarlet) coats are required; white or fawn breeches; a white tie, choker (unless the shirt, by design, has the choker built in for its intended use) or hunting stock, and a white or lightly colored shirt must be worn. Shirts must have a white collar and white cuffs. Shirts must be fastened at the neck and tucked in. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn. Members of the Armed Services or the police may wear the service dress uniform with protective headgear. (See General Rules, GR801.2)

Classes requiring Formal Attire are any Grand Prix or special class offering at least \$25,000 in prize money.

Proper Jumper Attire

Coats of any color are required. Breeches must be a light color (white, fawn or canary). Pastel and dark colored breeches are not allowed. Shirts, light in color, must be tucked in and fastened at the top of the neck. Ties or chokers of any color must be worn (unless the shirt, by design, has the choker built in for its intended use). Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

Classes requiring Proper attire are any Classic or Stakes class.

Standard Jumper Attire

Coats are not required. Breeches of any color are permitted. Shirts (polo shirts are permitted) must have

collars and sleeves (sleeves may be either long or short), and must be tucked into the breeches. Sleeveless shirts and shirts with exposed hoods are prohibited. Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

All other classes will require Standard attire.

In extreme weather conditions the use of jackets, sweaters or raincoats, without exposed hoods can be allowed by management and/or permission from the jumper jury. Permission must be granted before entering the competition ring.

Air Vests

Air vests are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes, Judges are instructed not to deduct points for the use of air vest worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vests that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors. Air vests are permitted without a show coat ONLY if being worn with a color matched long sleeved collared shirt. Example: A black long sleeved collared shirt may be worn with a black safety vest

In cases where the above requirements are not followed the penalty will be either a possible warning (for the first offense) or elimination. Please note that competitors are responsible for their own clothing. A wardrobe malfunction (e.g., magnets, zippers, buttons breaking) is not an excuse for improper attire.

Major penalties (falls, refusals, off course, etc.) will result in elimination.

- A. The Classic Hunter Round, consisting of five to seven (5-7) fences, shall be judged on quality, movement, jumping style, manners and way of going.
- B. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to seven (5-7), shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
- C. Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase. The scores from each judge will be added together to determine the total score and placement.
- D. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- E. For the Hunt and Go Format it is recommended that the judge designated to the Handy Hunter phase be the tie breaker.

- c. "All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."

29. Disputes

Should any question arise that is not provided for in the rules, the same shall be referred to the competition committee whose decision shall be final. In exceptional

circumstances, together with the approval of Chefs d'Equipe and Ground Jury the OC reserves the right to modify the schedule in order to clarify any matters or matters arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all competitors and officials as soon as possible and they must be reported to the Secretary General by the Foreign Judge.

30. WEF General & Animal Welfare Policy

Upholding the welfare of the horses exhibited here is of primary concern to Equestrian Sport Productions, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times for horses competing at the WEF we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the U.S. Equestrian, Inc. which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the Federation policy on abuse), GR843 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take into account the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing in the WEF starting one half hour before the first scheduled class of the competition and continuing until the last scheduled class of the competition is completed

31. Poling & Off-sets

Manual poling and the use of bamboo offsets are prohibited for all horses competing in the WEF. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

32. Comportment

Exhibitors are notified that any act of discourtesy or disobedience to the Judges or Officials on the part of any owner, rider, trainer, family member, or groom may disqualify the horse and the owner will forfeit all entry and other fees.

All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

Equine Influenza Vaccination

Vet. Regs. Annex VII (except events taking place in NZL & AUS)

In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016).
