JUMP ORDER

In all classes over fences management MAY designate the order of go. All orders will be posted at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the paddock masters involved — don't rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with a posted order of go will use the following procedure in accordance with JP112.2: the horses names are drawn individually, starting from the first position and then down.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vests worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and

entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

- 1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
 - 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
 - 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
 - 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.
- These horses must also have their temperature taken and

logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

- 5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
- 6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended
- 7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
- 8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
- 9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
- 10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

ENROLLMENT AND ELIGIBILITY TO COMPETE:

To be run in accordance with HU169. For complete specs see www.ushja.org
The Green Hunter Incentive program is open to horses of any age that are eligible to compete as a Green hunter under Federation rules. A horse's green status which is reinstated in accordance with Federation rules is eligible to compete in a USHJA Green Hunter Incentive Stake Class provided all other requirements have been met.
Horses must be enrolled in the USHJA Green Hunter Incentive Program and pay the annual enrollment fee to participate in the Green Hunter Incentive Program classes and to be eligible for the Green Hunter Incentive Program Championship. Additionally, horses must be registered with USHJA and recorded with USEF to participate. Horses must be enrolled in the Green Hunter Incentive Program prior to competing in a Green Hunter Incentive Program class. Only horses appearing on the enrolled list are eligible to compete in a Green Hunter Incentive Program class. Only enrolled horses that have competed in a minimum of two USHJA Green Hunter Incentive Program classes between December 1 and July 31 of the competition year, in which the Championship is held, are eligible to compete in the Championship. It is the exhibitor's responsibility to enroll his horse in a timely manner in order to be eligible to participate.
The final over fence class of the Green Hunter section will also be offered as a USHJA Green Hunter Incentive Stakes Class. Only horses enrolled in the Green Hunter Incentive Program are eligible to participate. Enrolled horses will pay a separate, additional entry fee and will be judged and pinned a second time, against just the other horses enrolled in the GHIS and entered in the Stake class. Horses not enrolled in the GHIS program are eligible for the ribbons and prizes offered in the Green Hunter section only, not the additional GHIS ribbons or prize money.

Dear USEF Participant:

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and **Minor Athlete Abuse Prevention Policies**, also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the **USEF Safe Sport Incident Reporting Form** available on the USEF website.

Concerns or suspicions regarding sexual misconduct must be reported to <https://safesport.insight.com/portal> and the authorities if a minor is involved. All of this information can be found in the USEF **Safe Sport Policy**.

Please take a moment to review the new USEF **Safe Sport web pages** on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at sgilbert@usef.org for any questions or concerns relating to the USEF Safe Sport program.

Thank you for your support and for helping us bring the joy of horse sports to as many people as possible!
